Forever Friends
You’re my friend and that is true, but the gift was given from me to you.
We went through moments that were good and bad, even moments that were happy and a drag.
We stuck together at the street near, and you joined me when we cheered...

It’s really sad that it had to be this way, but it has reach its very last day.
Miles away can’t keep us apart, cause you’ll always be my friend and in my heart.
